

ELIZABETH ASUNCION

UX Designer with background in teaching and in education management striving to create intuitive designs that make technology accessible to everyone. Adaptable with highly developed ability to empathize and connect with people from diverse backgrounds. Experienced in building successful collaborations with clients and internal and external employees.

UX/UI EXPERIENCE

- **UX/UI DESIGN PROGRAM | March 2021 – June 2021**
Digital Women Program, ReDI School of Digital Integration, Berlin, Germany
 - **Case Study:** Currently creating an original responsive web app that connects users with an "Expert" for help, advice, and service for a project-based, mentored, face-to-face UX/UI Training program
- **UX/UI DESIGN PROGRAM | March 2020 – June 2021**
Career Foundry, Berlin, Germany
 - **Case Study Link:** [UX Case Study – Olive Health App](#)
Researched, ideated, prototyped, did usability testing for, iterated on, and refined the visual design of an original health and wellness app
 - **Case Study Link:** [UI Case Study – Perfect Properties App](#)
Ideated, designed, and prototyped a responsive web app to help potential property investors locate opportunities, and to connect homebuyers with agents
 - **Case Study:** Completed UX design of a vocabulary learning app, from inspiration to prototyping, through user testing, analysis, and resulting iteration

WORK EXPERIENCE

- **ENGLISH LANGUAGE TRAINER | February 2011 - Present**
IUBH University of Applied Sciences, Berlin, Germany / Sprachinstitut Berlin, Germany / Tandem Berlin, Germany / El Blog Para Aprender Inglés (EBPAI) - Aprentias, Madrid, Spain
 - Have effectively taught hundreds of Business and General English classes in university, academy, in-company, and online classes
 - Get repeat bookings for courses and have high student retention rate
 - Consistently asked to do work outside scope of Language Training including instructional design, proofreading academic papers, editing contracts and web content, and academic tutoring in verbal skills and mathematics for adults preparing for GMAT, GRE, and SAT exams
- **DIRECTOR OF STUDIES | January 2004 –February 2011**
Kennedy Executive Language Solutions, Madrid, Spain
 - Designed Business and General English courses, and created learning materials and teaching resources
 - Recruited, hired, oversaw, and pedagogically supported a team of trainers that grew from 10 to 65 trainers in 5 years
 - Coordinated and successfully launched hundreds of classes
 - Participated in planning and implementation of projects for business expansion including launch of an online blended learning tool
 - Provided end-to-end client service including level testing, organization of classes, and continuous improvement evaluation
